

## DECLARATION

Dear customers, suppliers and other relevant partners,

Sungrow is a renewable energy company registered in Hefei, Anhui Province, China. It serves the global clean energy business with the mission of "clean power for all". The company is committed to giving every employee the freedom to choose their career, a safe and comfortable working environment, and a convenient and efficient channel of complaint.

Sungrow passed the SA8000 certification in 2015, strictly abides by the Labor Law of the People's Republic of China, the Labor Contract Law of the People's Republic of China and other labor laws and regulations and the standards issued by the International Labor Organization, support and respect internationally recognized human rights. In 2021, we joined the UNGC, strictly abide the ten principles published by UNGC.

Sungrow has been committed to the protection of workers' rights and interests. Sungrow cooperates with customers and third party audit (e.g., BV SGS), independently carries out internal audit, supply chain audit and conducts due diligence for suppliers. As of the date of this statement, Sungrow does not find any form of forced labor in the employment activity and supply chain. We will continue to protect the legal rights of our employees and will continuously accept the supervision of our employees, customers, suppliers and other relevant partners.

Sungrow stands firm in its commitment to refrain from using the minerals of gold (Au), tantalum (Ta), tungsten (W), cobalt (Co) and tin (Sn) derived from or sourced from conflict-stricken areas in the Democratic Republic of Congo or under the control of non-governmental military groups or non-state factions. We assure you that if any components or raw materials were discovered to contain these minerals or any products derived from them, we will immediately cease their utilization. It is our unwavering dedication to responsible sourcing practices that foster peace and mitigate support for conflict in any shape or form.

SUNGROW POWER SUPPLY CO.,LTD.
